the opportunity

- All hosted Chinese buyers are carefully selected to ensure their relevance and spending capacity
- All Buyer-Supplier meetings are pre-scheduled. The appointment schedule for suppliers is a combination of meetings with buyers who have requested to see you, and your own wish-list
- Save on time and travel expenses. Identifying, meeting and closing business with so many Chinese buyers would be impossible to secure on a single trip. Here, we bring them to you!
- The table top event format is effective for driving sales
